

Independence Farmers' Markets

Independence is fortunate to have two farmers' markets in its downtown. Buying produce and crafts from a farmers' market is a great way to buy local and get to know the people who grow your food. By purchasing produce from the market you can directly support the economy of your local community.

The [Independence Farmers' Market](#) features an array of fresh, locally-grown produce, flowers and hand-crafted products. The market is located in Historic Downtown Independence, in the parking lot of Sterling Bank at 302 Main Street. The market runs from April to November, Saturdays from 9:00 a.m. to 1:00 p.m.

The [Riverview Market](#) is located in the Riverview Park Amphitheater Plaza on Main Street, downtown. The market features fresh, local produce, plants, and other products, as well as music and other entertainment. The Riverview Market runs from April through November on Saturdays from 9 am to 1 pm.
