

## Student Resources

[Academic OneFile](#): Peer-reviewed, full-text articles from the world's leading journals and refereed of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and authoritative and comprehensive. With millions of articles available in both PDF and HTML full-text available to find accurate information quickly. Includes full-text coverage of the New York Times backlist.

[Gale Virtual Reference](#): A collection of encyclopedias and specialized reference sources for multimedial reference materials once were accessible only in the library, but now you can access them online. Because each library creates its own eBook collection, the content you see may vary if you use your school, your public library, or your office).

[Discovering Collection](#): Thousands of overview essays, critical analyses, biographies, primary sources, and other elements are included in this online reference resource. The intuitive interface and easy-to-navigate design help students to research papers and class assignments in five core subject areas: history, literature, science, social studies, and the arts.

[InfoTrac Student](#): Now with over 1100 titles this online collection is designed for high-school students. It includes indexed and full-text magazines, newspapers, podcasts, and reference books for information on a wide range of popular culture, health, people, government, history, sports and more.

[US History in Context](#): More than 185,000 reference articles and over 600,000 periodical articles from American Heritage, and The Historian; galleries with over 73,000 images and 1,500 seals, maps, and essays and nearly 5,000 primary documents; and videos and audio from NBC, NPR and other sources.

[Student Resources \(Opposing Viewpoints\)](#): This online resource provides a premium selection of over 1,100 full-text periodicals and newspapers, primary sources, creative works, and multimedia articles, clips and podcasts.

[National Geographic for Kids](#): Reputable, authoritative, and appropriate content that brings children the world they've never seen it before. Fun and substantive, National Geographic Kids will take them on a journey through culture, archaeology, and space.

Includes:

- National Geographic Kids magazine 2009-present (3 month embargo)
- 200 National Geographic Kids books
- 500 kid-friendly, downloadable images

[Learning Express](#): Interactive online learning site featuring over 770 practice tests, tutorials, and more for career improvement, career certification/licensing exam preparation, college and graduate school admission preparation.
