

## Your Library Card Just Got Bigger!

The Independence Public Library is participating in a three year pilot project to expand your access to Oregon libraries. Your library card is your passport to libraries across Oregon. Do you have a summer home? Visit relatives or work in another county? Now you may be able obtain a library card for that library and use it like your own. Check the web site [librariesoforegon.org/passport](http://librariesoforegon.org/passport) to see which Oregon libraries are participating.
