

Annual Drinking Water Report

The Annual Drinking Water Quality Report for 2013 is now available. The city is required to monitor for contaminants in the drinking water, and we are pleased to report that our water is safe and meets federal and state requirements. Copies of the will be mailed to every household; you may also [click here](#) to access a pdf version.

[En Espanol: Informe anual de calidad de agua potable de 2013.](#)

If you have any questions about the report, or have any questions or concerns about your water utility, please call Matt Carpenter or Nick Esch at 503.838.4781.
