

Monthly Roundtable Discussions: Serving the Latino Community

Meeting: Monthly Roundtable Discussions: Serving the Latino Community

Date/Time: Fri, Jan 9th 9:30am - 11:00am

Location: Independence Civic Center (555 South Main Street)

These monthly roundtable discussions are an opportunity to have focused conversations about each of our successes and challenges reaching/serving the Latino community. The desired outcome of these gatherings is, among other things, to establish a robust network of service providers and community leaders for future collaborations and improved communication. You will also have a chance to provide us with guidance and feedback on the role of the city's community liaison in the coming months.
