## Parallel 45 Brewing Awarded Prestigious Main St. Grant

Oregon Heritage, a division of the Oregon Parks and Recreation Department, awarded 28 matching grants worth \$5,000,000 to Oregon Main Street Network organizations across the state for

building projects that encourage economic revitalization. One of the awarded projects was the renovation of Parallel 45 Brewing, in partnership with the Independence Downtown Association, for expanded and converted commercial use.

“The City has done a lot for us and the community is fantastic,” said Greg Laird, co-owner of Parallel 45. “I think it will be exciting to see more activity on this side of the building.”

In addition to a phased rollout of expansion, residents can expect to see more food carts pop up in the next few months.

“We had been hoping to get it,” said co-owner Ryan Booth. “And then after we got it, we were like ‘now we actually have to get this stuff built’.”
