Points of Interest**

1. Heritage Museum – With interesting and educational exhibits, the Museum continues to collect and share the natural history and diverse cultural heritage of our river community.
2. Pioneer Park – Independence's first park, included in the original town plat in the 1800's, Pioneer Park offers a beautifully shaded area nestled among tall, mature trees and features an intact native riparian zone.
3. Ash Creek Arts Center – An organization that offers a broad range of opportunities for all community members to enjoy and participate in the visual, literary, and performing arts, including classes and workshops.
4. Independence Cinema – The theatre offers high quality entertainment with a small town feel and was a cornerstone of redevelopment in our historic downtown.
5. Independence Public Library – A staple in our community, the library creates all-ages, all-abilities programs from S.T.E.M. activities and conversation clubs to story time and movie nights.
6. Independence Civic Center – City hall houses the city offices and police department. It's where our future planning, community meetings, court and council all happen as well.
7. Independence Landing Park Trail – Serene and peaceful, the hard surface pathways offers locals an unobstructed walk along nature.
8. Riverview Park – Beautiful riverfront park located in the heart of historic downtown Independence.
9. Amphitheater Plaza – A place to gather for events, live performances and community markets.
