INDEPENDENT AUDITOR'S REPORT

Agency Officials
City of Independence Urban Renewal Agency
Independence, Oregon

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of the City of Independence Urban Renewal Agency (Agency), a component unit of the City of Independence, Oregon, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Agency, as of June 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Agency, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

The General Fund schedule of revenues, expenditures and changes in fund balance – budget and actual, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic financial statements. The other supplementary information as listed in table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

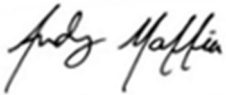

Report on Other Legal and Regulatory Requirements

Other Reporting Required by Oregon State Regulations

In accordance with Minimum Standards for Audits of Oregon Municipal Corporations, we have also issued our report dated December 27, 2022, on our consideration of the Agency's compliance with certain provisions of laws and regulations, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules. The purpose of that report is to describe the scope of our testing of compliance and the results of that testing and not to provide an opinion on compliance.

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES
IN FUND BALANCES - GOVERNMENTAL FUNDS
For the Year Ended June 30, 2022

	Urban Renewal Projects Fund	Urban Renewal Debt Service Fund	Total Governmental Funds
REVENUES:			
Property taxes	\$ 219,283	\$ 652,746	\$ 872,029
Interest	2,227	1,789	4,016
Total revenues	221,510	654,535	876,045
EXPENDITURES:			
Current:			
General government	439	-	439
Debt service:			
Principal	271,431	405,000	676,431
Interest	4,168	774,033	778,201
Total expenditures	276,038	1,179,033	1,455,071
Revenues over (under) expenditures	(54,528)	(524,498)	(579,026)
OTHER FINANCING SOURCES (USES):			
Transfers from City of Independence	-	422,630	422,630
Total other financing sources (uses)	-	422,630	422,630
Net change in fund balances	(54,528)	(101,868)	(156,396)
FUND BALANCE, BEGINNING	1,918,107	168,688	2,086,795
FUND BALANCE, ENDING	\$ 1,863,579	\$ 66,820	\$ 1,930,399

The accompanying notes are an integral part of these financial statements

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF
ACTIVITIES

For the Year Ended June 30, 2022

Amounts reported in the statement of activities are different because:

Net change in fund balance	\$ (156,396)
----------------------------	--------------

Some revenue reported in the statement of activities do not provide current financial resources in the governmental funds.	(3,407)
--	---------

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

Accrued interest expense	293,187
--------------------------	---------

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. This is the net amount of these differences.

Debt service principal payments	676,431	
Deferred charge on refunding	(28,708)	
Amortization of bond premium	29,656	677,379
		<hr/>

Changes in net position	\$ 810,763
	<hr/>

The accompanying notes are an integral part of these financial statements

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

1. Organization and Summary of Significant Accounting Policies

These financial statements of the City of Independence Urban Renewal Agency (the Agency) have been prepared in accordance with accounting principles generally accepted in the United States (GAAP). GAAP statements include all relevant Governmental Accounting Standards Board (GASB) pronouncements. The financial statements have incorporated all applicable GASB pronouncements.

A. Description of Reporting Entity

The Agency (a component unit of the City of Independence) was created to provide for rehabilitation of blighted and deteriorated areas within the City's designated urban renewal area. The Agency is governed by a seven-member board of directors that includes the City's mayor and is included as a component unit in the City's financial statements.

The financial statements of the Agency include all funds of the Agency, and the Board of Directors is not financially accountable for any other governmental entity. Financial accountability is determined in accordance with criteria set forth in accounting principles generally accepted in the United States of America, primarily on the basis of authority to appoint voting majority of an organization's governing board, ability to impose its will on that organization, the potential for that organization to provide specific benefits or impose specific financial burdens and that organization's fiscal dependency. The Agency is a component unit of the City of Independence and, as such is included in the financial statements of the City of Independence for the year ended June 30, 2022.

B. Basic Financial Statements

The Agency's financial operations are presented at both the government-wide and fund financial levels. All activities of the Agency are categorized as governmental.

Government-Wide Financial Statements

The Agency uses funds to report its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions and activities.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the Agency's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the statement of activities. Program revenues include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs, and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

Fund Financial Statements

These statements display information at the individual fund level. Each fund is considered to be a separate accounting entity. Funds are classified and summarized as governmental, proprietary, and fiduciary. Currently the Agency has only governmental fund types.

C. Basis of Presentation

The financial transactions of the Agency are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, deferred inflows and outflows of resources, revenues and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The GASB 34 model sets forth minimum criteria (percentage of the assets, liabilities, revenues or expenditures/expenses of either fund category or the governmental and proprietary combined) for the determination of major funds.

The Agency uses funds to report its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions and activities.

The Urban Renewal Projects Fund serves as the Agency's general fund for the operation and general service related to the Agency. Additionally, this fund account for financial resources to be used for the acquisition or construction of capital equipment and facilities.

The Urban Renewal Debt Service Fund accounts for debt-related activities of the Agency. The principal source of revenue is property taxes which will be used to pay the principal and interest on the outstanding FF&C Refunding Bond obligations.

D. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe which transactions are recorded with the various financial statements. Basis of accounting refers to when transactions are recorded regardless of the measurement focus.

The Agency-wide financial statements are reported using the *economic resources measurement focus* and the *full accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the Agency-wide statements, reconciliation is necessary to explain the adjustments needed to transform the fund based financial statements into the Agency-wide presentation.

E. Deposits and investments

Cash and investments, including restricted cash and investments, consist of demand deposits, and the State of Oregon Local Government Investment Pool (LGIP) deposits. Investments in the LGIP are stated at share value, which approximates fair value, and is the value at which the shares can be withdrawn

The LGIP is administered by the Oregon State Treasury. The LGIP is an open-ended no-load diversified portfolio offered to any agency, political subdivision or public corporation of the State who by law is made the custodian of, or has control of, any public funds. The LGIP is commingled with the State's short-term funds. In seeking to best serve local governments of Oregon, the Oregon Legislature established the Oregon Short-Term Fund Board. The purpose of the Board is to advise the Oregon State Treasury in the management and investment of the LGIP.

The Agency's investment policy is the same as the City's and essentially mirrors the Oregon Revised Statutes. Currently, the Agency's investment portfolio primarily includes investments in the State of Oregon Local Government Investment Pool.

F. Receivables and Property Tax Calendar

Uncollected property taxes receivable, which have been collected within sixty days following year-end are considered measurable and available and are recognized as revenue. All other uncollected property taxes receivable are offset by unavailable revenue and, accordingly, have not been recorded as revenue. Property taxes are assessed and become a lien against the property as of July 1 each year and are payable in three installments on November 15, February 15, and May 15 following the lien date. Taxes unpaid and outstanding on May 16 are considered delinquent.

G. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. Deferred outflows of resources represent a consumption of net position that applies to future periods and so will not be recognized as an outflow of resources (expenditure) until then. The Agency has one item that qualifies for reporting in this category. A deferred charge on refunding is reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded debt.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net position that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time. The Agency has one item that qualifies for reporting in this category, which arises only under the modified accrual basis of accounting. Accordingly, the item "unavailable revenue," is reported only in the governmental funds balance sheet. The

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

governmental funds report unavailable revenues from property taxes. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

H. Net Position

In the government-wide financial statements, net position is reported in three categories: net investment in capital assets; restricted net position; and unrestricted net position. Net investment in capital assets represents capital assets less accumulated depreciation less outstanding principal of related debt. Net investment in capital assets does not include the unspent proceeds of capital debt. Restricted net position represents net position restricted by parties outside of the Agency (such as creditors, grantors, contributors, laws, and regulations of other governments) and includes unspent proceeds of bonds issued to acquire or construct capital assets.

I. Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the Agency is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – non-spendable, restricted, committed, assigned and unassigned.

Non-Spendable – Includes items not immediately converted to cash, such as prepaid items and inventory.

Restricted – Includes items that are restricted by external creditors, grantors or contributors, or restricted by legal constitutional provisions.

Committed – Includes amounts that have been committed by resolution by the Agency’s Board of Directors which is the Agency’s “highest level of decision-making authority.” Committed amounts may not be used for any other purpose unless the Board of Directors removes the constraint by similar board action. Commitments of fund balance must be made prior to the end of the fiscal year.

Assigned – Includes amounts assigned for specific purposes by Agency action. Assigned fund balance is established by the Agency through adoption or amendment of the budget as intended for specific purpose.

Unassigned – This is the residual classification used for those balances not assigned to another category.

J. Use of Restricted Resources

Use of restricted resources, when both restricted and unrestricted resources are available for use, it is the Agency’s policy to use restricted resources first, then unrestricted resources, as they are needed. When unrestricted resources (committed, assigned and unassigned) are available for use it is the Agency’s policy to use committed resources first, then assigned, and then unassigned as they are needed.

K. Use of Estimates

In preparing the Agency’s financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(1) Cash and Cash Equivalents and Investments

The City maintains a cash and investment pool for all cash, cash equivalents and investments in which each fund participates, including the Agency. Agency investments with the State of Oregon Local Government Investment Pool (LGIP) are not held in separate Agency accounts. The total restricted and unrestricted cash, cash equivalents and investments balance for the Agency at year-end was \$520,853, representing the Agency's share of the City's cash and investment pool.

The City invests in the LGIP which is not registered with the U.S. Securities and Exchange Commission as an investment company. The Oregon Revised Statutes and the Oregon Investment Council govern the LGIP's investment policies. The State Treasurer is the investment officer for the LGIP and is responsible for all funds in the LGIP. These funds must be invested, and the investments managed, as a prudent investor would, exercising reasonable care, skill, and caution. Investments in the LGIP are further governed by portfolio guidelines issued by the Oregon Short-Term Fund Board, which establish diversification percentages and specify the types and maturities of investments. The Oregon Audits Division audits the LGIP annually. The Division's most recent reported audit opinion on the LGIP was unmodified. The fair value of pool shares is equal to the City's proportionate position in the pool.

(2) Long-Term Debt

Long-term debt transactions for the year were as follows:

Agency		Beginning Balance	Additions	Deletions	Ending Balance	Due in One Year
Bonds						
	2016A FF&C Refunding Obligation	\$ 7,910,000	\$ -	\$ 35,000	\$ 7,875,000	\$ 35,000
	Bond Premium	417,124	-	23,174	393,950	-
	2017A FF&C Refunding Obligation	3,675,000	-	370,000	3,305,000	385,000
	Bond Premium	116,705	-	6,483	110,222	-
Notes Payable						
	IFA Loan	2,904,580	-	-	2,904,580	-
	City of Independence	6,687,556	-	271,430	6,416,126	268,889
		<u>\$ 21,710,965</u>	<u>\$ -</u>	<u>\$ 706,087</u>	<u>\$ 21,004,878</u>	<u>\$ 688,889</u>

The Agency issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds are direct obligations and pledge the full faith and credit of the Agency. All of the General obligation bonds of governmental activities are insured by Assured Guaranty Municipal Corp in the event that the Agency is unable to make payment. General obligation bonds outstanding at June 30, 2022 are as follows:

In April of 2016, the Agency issued \$8,070,000 of Full Faith and Credit Obligation Refunding bonds to retire existing debt of the Agency. Interest rates range from 3.00% to 4.00%. The bond principal is payable annually and interest is payable semi-annually. The bonds mature in 2040.

\$ 7,875,000

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

In December 2017, the Agency issued \$4,035,000 of Full Faith and Credit Obligation Refund bonds to retire existing debt of the Agency. Interest rates range from 3.00% to 4.00%. The bond principal is payable annually and interest is payable semi-annually. The bonds mature in 2030.

3,305,000

Total bonds

\$ 11,180,000

Annual debt service requirements to maturity for bonds payable are as follows:

Fiscal Year	2016A FF& C Refunding Bond		2017A FF& C Refunding Bond	
	Principal	Interest	Principal	Interest
2023	\$ 35,000	\$ 299,406	\$ 385,000	\$ 128,350
2024	40,000	298,006	400,000	116,800

In December 2016, the Agency entered into an agreement with the Business Oregon Infrastructure Finance Authority to award the Agency a total award of \$3,250,000. The project closed in June 2021, with 2.83% interest per annum. The Agency has pledged incremental property tax revenues for payment of the loan. In the event of default, outstanding amounts become immediately due. The loan matures in 2046.

a. City of Independence – Note Payable

The City of Independence incurred debt on behalf of the Independence Urban Renewal Agency (URA) for construction of the Independence Civic Center and assisted in servicing the debt. The Agency does not expect to begin repayment on the loan until 2023. The principal balance of the loan payable to the City was \$3,771,517 at June 30, 2022.

In 2017, the Urban Renewal finalized a development & disposition agreement for the development of a hotel, apartments and townhomes at Independence Landing. As part of the agreement, the URA agreed to pay construction costs imposed by the City of Independence up to \$2,082,110. As a result, there has been created a loan payable between the City and the Agency. As of June 30, 2022, the balance of this loan payable to the City was \$2,082,110.

The remaining \$562,500 is from year-end cash allocations in prior years of pooled cash in order to eliminate deficit cash balances in the Urban Renewal Projects Fund. The total balance of loans payable due to the City was \$6,416,126 at June 30, 2022.

	<u>\$ 6,416,126</u>	<u>\$ 2,195,708</u>

(3) Risk Management

The Agency purchases commercial insurance to cover all commonly insurable risks, which includes property damage, liability and employee bonds. Most policies carry a small deductible amount. No insurance claims settled in each of the prior three years have exceeded policy coverage.

CITY OF INDEPENDENCE URBAN RENEWAL AGENCY
NOTES TO THE REQUIRED SUPPLEMENTAL INFORMATION
June 30, 2022

1. Stewardship, Compliance, and Accountability

A. Budgetary information

On or before June 30 of each year, the Agency enacts a resolution approving the budget, appropriating the expenditures, and levying the property taxes. Prior to enacting this resolution, the proposed budget is presented to a budget committee consisting of members of the Agency Board of Directors and a like number of interested citizens. The budget committee presents the budget to the Board of Directors for budget hearings prior to enactment of the resolution. The Agency budgets all funds as required by Oregon Local Budget Law.

The resolution authorizing appropriations for each fund sets the legal level of control by which expenditures cannot legally exceed appropriations. Expenditure categories of personal services, materials and services, capital outlay, debt service, and contingency are the legal level of control for all other funds. The detail budget document, however, is required to contain more specific information for the above-mentioned expenditure categories. Unexpected additional resources may be added to the budget through the use of a supplemental budget. A supplemental budget requires hearings before the public, publications in newspapers, and adoption by the Agency Board. Management may modify original and supplemental budgets by the use of appropriation transfers between the legal levels of control within a fund. Such transfers require approval by the Agency Board. Management may not amend the budget without seeking the approval of the Board. Appropriations lapse as of year-end.

AUDIT COMMENTS AND DISCLOSURES

INDEPENDENT AUDITOR'S REPORT REQUIRED BY OREGON STATE REGULATIONS

Agency Officials
City of Independence Urban Renewal Agency
Independence, Oregon

We have audited the basic financial statements of the City of Independence Urban Renewal Agency (Agency) as of and for the year ended June 30, 2022 and have issued our report thereon dated December 27, 2022. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Compliance

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules 162-10-000 through 162-10-320 of the Minimum Standards for Audits of Oregon Municipal Corporations, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

We performed procedures to the extent we considered necessary to address the required comments and disclosures which included, but were not limited to the following:

- **Deposit of public funds with financial institutions (ORS Chapter 295).**
- **Indebtedness limitations, restrictions and repayment.**
- **Budgets legally required (ORS Chapter 294).**
- **Insurance and fidelity bonds in force or required by law.**
- **Programs funded from outside sources.**
- **Highway revenues used for public highways, roads, and streets.**
- **Authorized investment of surplus funds (ORS Chapter 294).**
- **Public contracts and purchasing (ORS Chapters 279A, 279B, 279C).**
- **State school fund factors and calculation.**

In connection with our testing nothing came to our attention that caused us to believe the Agency was not in substantial compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules 162-10-000 through 162-10-320 of the Minimum Standards for Audits of Oregon Municipal Corporations except as follows:

OAR 150-294-0430(1) states: "An estimate for general operating contingency may be included in any operating fund." OAR 150-294-0430(1)(a) defines an operating fund as: An operating fund is one which contains estimates for personnel services, materials and services, or capital outlay. The 2021-22 budget for the Urban Renewal Debt Service Fund included appropriations for contingency but did not include personnel services, materials and services, or capital outlay.

OAR 162-10-0230 Internal Control

In planning and performing our audit, we considered the Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

**INDEPENDENT AUDITOR'S REPORT REQUIRED BY OREGON STATE REGULATIONS,
CONTINUED**

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Restriction on Use

This report is intended solely for the information and use of the Agency Officials and management of the City of Independence Urban Renewal Agency and the Oregon Secretary of State and is not intended to be and should not be used by anyone other than these parties.
